TESTIMONY

It was very nice to hear from you and the Faith Center. I have been in touch with Rev. Sharon St. Joan and Rev. Virgil James, since The Foundation Faith of God moved its headquarters from New York City.

We all miss you, and the fabulous work you do for our Lord Jesus. I'm sure that no matter where you go, you will be received well and be a benefit to the people you meet.

I know I'm speaking for Fred Pankrac, Rose Minkin, Morty Handel, and many other members of the Prayer Fellowship in New York when I say, "Hello."

I'm now a teacher in the Bronx, and all my symptoms of illness due to alcohol have been healed and alleviated. Even though I gain wonderful healing at mass in the St. Jean Baptiste Church at 76th Street, I still miss the wonderful Healing Celebrations at The Foundation Faith of God. I'm a living testimony of your work and the healing touch of Jesus. I am now 6½ years sober and free from alcohol. Praise God.

PROGRAMS

"...by their fruit you will recognize them."

Matthew 7:20

Faith Center is the southeastern headquarters of this ministry, and the base from which all our outreaches spring. It is where we hold our meetings, and where people come for counseling and prayer.

The Clown Ministry, our principal outreach, brings God's love and laughter to seriously and terminally ill children, and others who are institutionalised. Run by ministers, the program attracts volunteers, many of whom, with our help, have begun an outreach of the Clown Ministry in their own city (e.g. Birmingham, Durham, NC, etc.). Other branches of the Clown Ministry are active in Denver, Dallas, Houston and San Antonio in both civilian and military hospitals.

The Circle of Power, our international prayer fellowship, has members in many North American cities and overseas, with a very active membership in Ghana, West Africa. Members pray for those we meet in hospitals, as well as many, many others, who contact us by letter, phone, etc., and often involve themselves in hospital visiting locally.

Animal Action. Believing that God intends us to love and care for ALL His creation, we devote time and effort to the welfare of animals, working against abuse, and enlightening people as to the needs and plight of animals.

It has been shown that animals have a therapeutic and healing effect upon the institutionalised (pet therapy). Each week we visit with the elderly, who derive a great deal of joy from their four-legged and two-legged visitors!

NEWSBRIEFS

THE CLOWN MINISTRY

Rev. Grace Michaels (Lilac), background, plays guitar, while Rev. Nathania Gartman (Daffydil) gets involved in painting with the children of Egleston.

A funny thing has happened since moving to Villa Rica! The clowns keep running into the parents of children, or the children themselves, who have been visited in the various hospitals. Rev. Nathania Gartman met a child she had visited in Grady Hospital, a little girl called Frederica. At first Frederica did not recognize her, because Rev. Gartman (Daffydil) was not in clown gear, but when Rev. Gartman mentioned the magic coloring book, little Frederica's face lip up with pure joy at the memory of the clowns. A lady who works at the pizza parlor, and the owner of a local pharmacy both remembered the clowns from the times they had visited their kids in Egleston Hospital!

As we mentioned last month, Hedstrom, Inc. had very kindly donated a whole bunch of toys. The latest example is a new bubble maker, which makes bubbles up to 5 feet long!! Daffydil said she has never seen the children at Georgia Regional's Developmental Learning Center laugh so much as when they were chasing the enormous bubbles! Praise the Lord for the pleasure these gifts have brought the children.

NEWS FROM CHICAGO

Because of the response to Christian Mendenhall's teaching the gift of communication workshop, "Focus," he is now running two classes a week, Mondays and Thursdays. Praise the Lord. Christian writes, *"We had a great start, personal, close and willing to be courageous. Praise God, what a privilege to do this."* Anyone in the Chicago area interested in joining the workshop should contact Christian in Chicago at 465-5077. We highly recommend both the workshop and its teacher!

An important addition to Faith Center has been the connection of our phones to the Atlanta exchange. This means calling from Atlanta is no longer long distance. The new number is **584-8512**. This will make telephone counseling accessible to everyone in Atlanta, and we look forward to hearing from our many friends in the Atlanta area.

There is still plenty to be done at Faith Center to make it fully operational. Volunteers are welcome, skilled or unskilled! We are also planning a Center-warming gathering, to be announced in an upcoming Newsletter.

Our special thanks to all of you, who contributed for our move. Praise God for each of you. There are still plenty of needs, especially in relation to a proper telephone system, so it's not too late to help!!!

GHANA NEWS

We recently received another beautiful letter from Sister Grace Asare-Djan, Dean of our prayer fellowship, the Circle of Power, in Sunyani, Ghana. Here are some quotes from her letter:

"God bless you all and keep you fit for His good works. Everything, including the Disciple's symbol, has arrived safely. I feel so happy and proud in the Lord for the blessing. The feeling of belonging to a group of God's people is a treasure in one's lifetime. I must say there is some happiness in me these days, which has started pushing away some of my social frustrations.

"Pages cannot contain the problems we are facing in our dear country. Instead of worrying we have resolved to pray and work hard on the farm. If we are favored with rains then we can solve some of our food problems. Please always remember Ghana in your prayers. It is only God who can help this country and we trust Him.

"Greetings from the new group in Sunnyani. Brother Philip Twum has been transferred to Accra, the capital, and we miss him. Prayers were said for one of the group, also called Grace, who was depressed after having bad dreams. Grace, then expecting a baby, narrated the dream in tears to the group during one of our meetings. We asked the Lord's help for a safe delivery. A week was set aside for the prayers. Grace started to be cheerful, and on the sixth day she delivered a very beautiful baby girl. Tears changes places with joy, praise the Lord.

"A farmer on his way to the farm suddenly developed severe abdominal pains. His wife brought him to my house for some first aid treatment knowing that I am a health worker. I prayed for him and gave him a little water to drink. After drinking the water he touched the site of the pain three times and said, "The pain is gone, sister, the medicine is powerful." We all had a good laugh and told him that the Lord is good to all. Yes, sinners are saved by His great sacrifice on the Cross. Let us acknowledge Him as the greatest source of power.

"Our country is in such a state that our only hope is God. We need everything. All the people are undernourished, bush fires have spoiled most of our food crops, but we trust Him to keep us safe as the End Time is so near. He knows."

ANIMAL ACTION

This little dog has adopted us since we moved to Villa Rica. He is very sweet and even-tempered and would make someone a wonderful companion. If you or someone you know can give him a good home, please contact us immediately. Even if you live out of State we will fly him to you.
